

# United States Ismaili Games

## GE Festival & Jubilee Games Qualification Process

Each participating National Jurisdiction will determine a qualification process for advancement to the GE Festival & Jubilee Games. In the US, the journey to Jubilee Games starts at the respective Regional levels. Regional events will serve as a qualifier to the US Ismaili Games (USIG), which will serve as the qualifier to represent the US at the Jubilee Games.

**Team Sports** - The GE Festival & Jubilee Games team have asked Jurisdictions to plan for one slot within each team sports category to represent the respective Jurisdictions.

- *The Jubilee Games slot for each team sport will be allocated to the First-Place winning team at the USIG. In the case that the US is allocated additional team sport slots, the allocation of that slot along with criteria will be determined by the JGSC in consultation with the US GE Festival Program Team.*

**Individual Sports** - For every individual sport category offered at the JG, a specific number of slots will be allocated to each Jurisdiction. Slots allocated for each sport category may vary.

- *The Jubilee Games slot for each sport category will be allocated to the First-Place winning athlete, pair, or team at the USIG. In the case that US is allocated additional category slots, the allocation of that slot will correspond to the respective ranking at the USIG event.*
