

# National Festival Guide

# Welcome to USIA 2024

Dear Community Member,

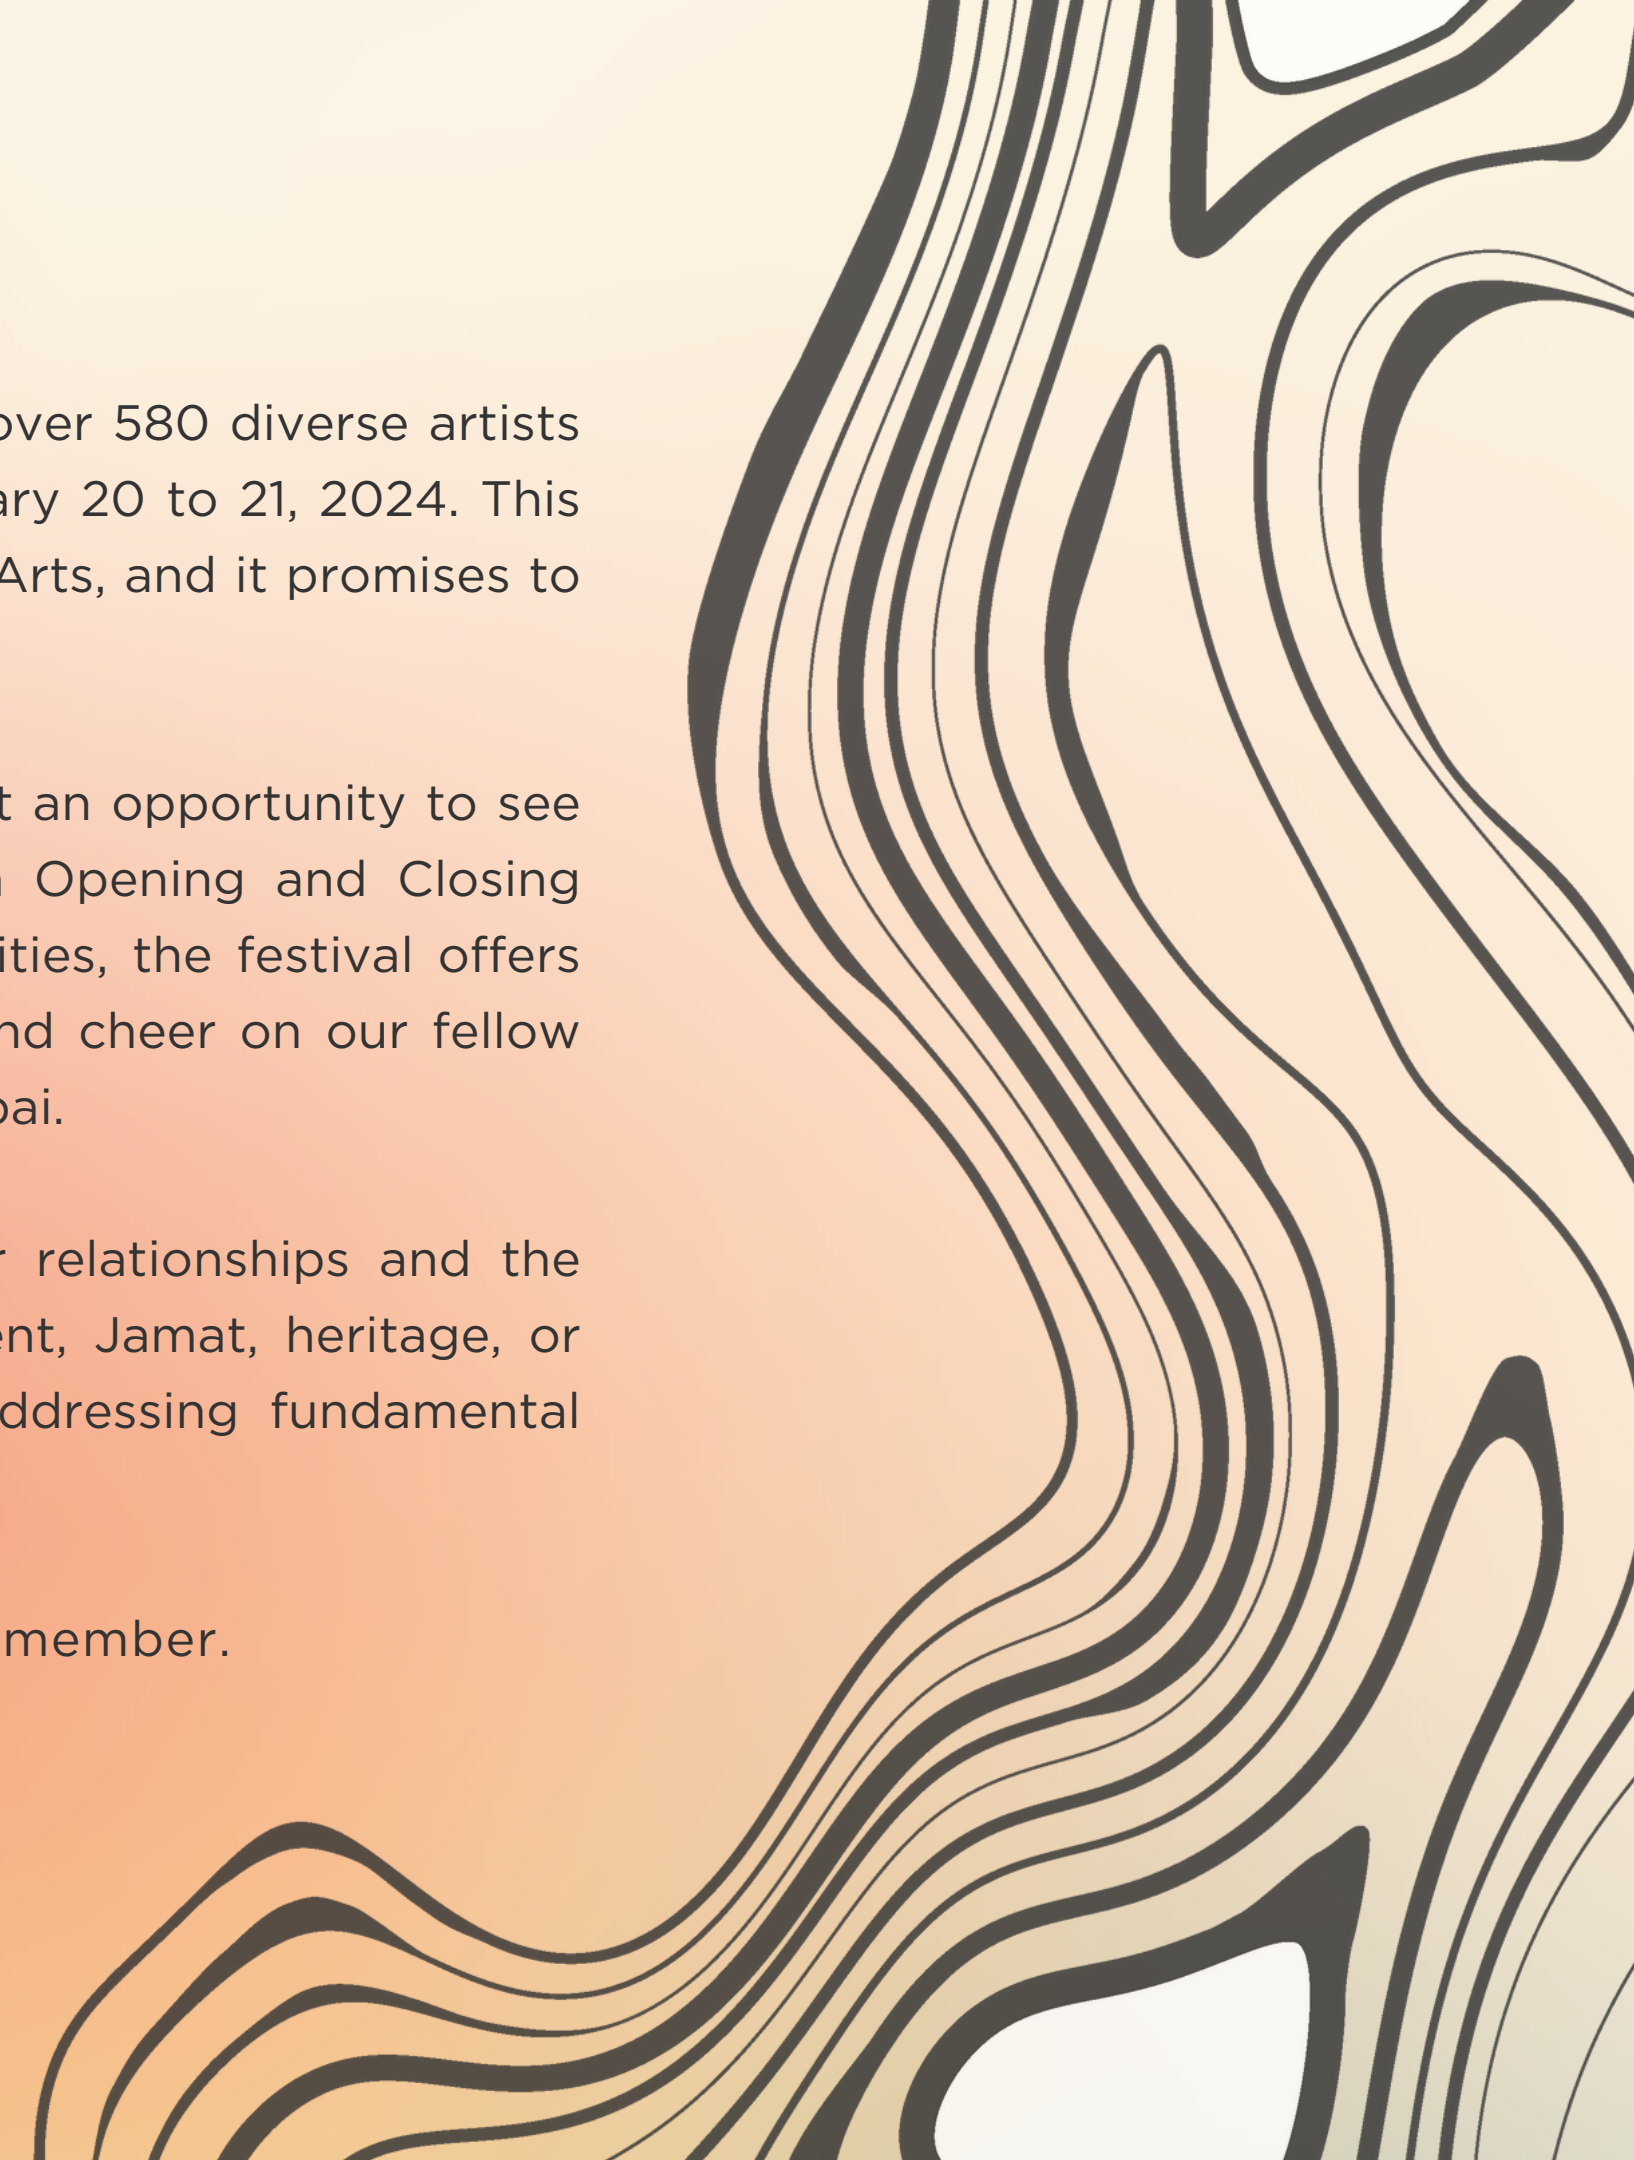

We are delighted to invite you to the United States Ismaili Arts Festival, where over 580 diverse artists will showcase their artistic talent on a national stage in Houston, TX, from January 20 to 21, 2024. This monumental event marks a significant milestone in our community since Jubilee Arts, and it promises to be a historic celebration of artistic expression within the Jamat.

The three anchor programs, art gallery, film festival, and performing arts, present an opportunity to see our Jamat's hard work and talent that qualified from regional festivals. From Opening and Closing Ceremonies to immersive workshops, pop-up performances, and dynamic activities, the festival offers opportunities for everyone to engage and participate. Represent your region and cheer on our fellow artists as they compete for the prestigious Global Encounters Festival 2024 in Dubai.

This year's theme, "CARE," delves into the intricate connections between our relationships and the profound care we extend to our shared elements, be it our planet, environment, Jamat, heritage, or ourselves. It serves as a powerful catalyst for reinforcing our identity and addressing fundamental challenges.

Our team is eager to welcome the Jamat to help you make it a weekend to remember.  
See you in Houston!
